LEADING NATIONS ARE IN AGREEMENT

CHRISTMAS PARTY IS BIG SUCCESS

Large Crowd Here In Yuletide Program

The largest crowd ever to attend the Cameron Annual Christmas program and Santa Claus parade was on hand Monday afternoon at 5:30 when old Saint Nick and his reindeer paraded the streets in the downtown area.

L. G. Smith, manager of the Chamber of Commerce, said an estimated crowd of 8,000 were present for the annual affair. The Chamber sponsored the party with the Business & Professional Women's Club and the Jaycees assisting in the preparations.

Old Santa arrived in Cameron at 5:15 in his traditional costume in a colorful sleigh drawn by four real live reindeer.

The Yoe High School Band, the Rosebud Band and the Thorndale Band preceeded Old Santa in the parade playing Jingle Bells and other St. Nick tunes.

Each reindeer was recognized by their familiar names on their harness. He thrilled the throng by throwing candies and gum to the children and concluded his parade at the Court House where he remained until almost 7 P. M.

Immediately following the parade a program of music and song was held at the city park with E. A. Perrin acting as master of ceremonies.

Dr. Mark C. Magers gave the invocation followed by the Yoe High School Choral Club under the direction of Francis Cox. Miss Yvonne Wimberly sang several selections, accompanied by Mrs. Winnie Wittliff. The Thorndale Choral Club rendered several musical numbers, under the direction of J. Walter McCord. The First Baptist Choir gave appropriate music which preceeded Charles Herbst

Death Comes To Little Perfecta; Family Express Appreciation

She was not destined to stay among us, the big people of this big county. Death came to little Perfecta on the warm windy day of December 4, 1950 at 11:30 A. M.

Her family wishes to thank the Herald, the Sheriff and the big hearted people of Cameron and Milam County for their kindness. Adequate contributions and gifts have more than supplied their needs. Appreciation is also extended to the State of Texas for the admittance slip to one of the largest Crippled Children's Hospitals and the bus ticket that arrived too late.

Special blessings are asked for each of you.

School Nets $702.29 On Annual Carnival

The school carnival held at the Yoe High School Gymnasium on Tuesday November 28, netted the school around $702.29, it was disclosed by Coach Paul Smith. It was estimated that around 1500 people were present for this annual affair and the school wishes to express its thanks to the citizens here for their coopertion in patronizing this worthwhile activity. These funds will be used both for the lunchroom service and activity funds of both the Ada Henderson and Yoe High School.

The climax of the event was the crowning of the queens. Gailyia Griswold, escorted by Burns Thomas, was crowned queen of the Ada Henderson School, representing the fifth grade. She wore a blue net over taffeta with a dainty corsage.

Joan Slavik, member of the Junior Class at Yoe High School, escorted by Bobby Stanislaw, was crowned queen of the high school. She wore a crimson velvet evening gown.

Glenn Rosenberg acted as master of ceremonies, introducing all the queen candidates and their escorts. The crown bearers were Marilyn Hughes and Don Maddox of the second grade.

BOY SCOUTS OF AMERICA WILL MEET

We Are Making Progress At The Cameron Herald

(Written by The Employees)

This Old Newspaper— established only ten years short of a century ago is still building with its community.

The manager and employees of the oldest business establishment in Milam County, announce today the installation of a new Mergenthaler type setting machine. This machine gives the Herald and its plant two Linotypes. The new machine is now in operation and we invite the business men and the public to visit our plant. Prices of highly standardized equipment such as type setting machines are almost prohibitive. The new machine is a model 31 built by Mergenthaler in Brooklyn, New York and has been installed at a cost of around $9300.00 including all extra equipment. Our large machine is a model 32 and when first built was known as model 14. To give our patrons an indication how the printing trade costs have advanced in the past twenty years a model 14 such as we now have in our old ma-

Lowest Figure In Permits Since War

Building permits for the city of Cameron during the month of November amount to $2,700 it was reported by W. H. Stafford, city secretary.

This is a heavy decline in comparison of lasts month's total of $11,250.

Mr. Stafford said this was the lowest figure on permits since the end of the late war and possibly the lowest since the permits were instituted in the city, several years ago.

This small figure will make the year's total drop far below last year's report unless December has a boom in building. The majority of the permits went for repairs of various kinds with no major projects being under consideration.

New Route To Get Underway Dec. 15

The New Highway Postoffice route from Waco to Yoakum will make its initial trip December 15, it was announced by John Hays, local postmaster.

Mr. Hays said the coach will stop in Cameron at 9:40 A. M. and leave at 10:10 A. M. and the public is cordially invited to be present for the inspection tour. The coach is built similar to a railway coach and is one of the most modern of its kind.

L. C. Alexander, postmaster at Waco will be present with the group. Others in the company will be W. M. McMillian, inspector in charge from Fort Worth, H. K. Coale, general superintendent of Fort Worth, Elec Potchernick, district superintendent of San Antonio and a representative from Washington.

This is the second highway postoffice route in operation in the State of Texas, the other one is on route out of Dallas. The coach will begin regular service duty on the 16th and will get into Cameron at 5:30 in the morning going southward and returning in the evening at 8 going toward Waco.

This new route will aid greatly the congested mail service in and out of the city. Mr. Hayes will introduce the officials upon their arrival here at the local postoffice on the morning of the 15 and each representative aboard will have a few words to say in regard to this new service.

Mr. and Mrs. Elmo Vaughan were Sunday evening guests in the home of Mrs. Frank Sherill.

Floyd B. White Buried At Sneed

Floyd Bertram White, 31, of Briary was burned to death in a house northeast of Hearne Tuesday night around 10 A. M.

Mr. White had gone on a deer hunt with two of his brothers, Jim White of Cameron and Charlie White of Rosebud. It was understood here that Mr. White was apparently making coffee on a gasoline stove and a possible explosion resulted. However it was not known whether the stove exploded or if the house caught fire from a cigarette.

The two brothers were sleeping in a car parked near the shack and narrowly escaped the same fate as they were awakened when the car caught fire in which they were sleeping. It was presumed that he was not asleep as his charred body was found by rescue men several feet from the bed.

They had to walk several miles to get aid. Highway Patrolmen J. A. Mason and E. H. Heartfield were called to the scene and the body was brought to Cameron by the Green's Funeral Home.

Funeral services were held at Sneeds Chapel, Thursday, November 30 at 3 P. M. with Rev. Miller Smith of Rockdale officiating. Interment was made in the Sneeds Chapel Cemetery with Green's Funeral Home directing arrangements.

Surving are his widow, Mrs. Dell White, one infant daughter, Diane; his parents, Mr. and Mrs. Almer White; six brothers, Jim White of Cameron, Ralph White of Andrews, William White of Baytown, Edd White of LaFeyette, La., Herman White of Andrews, and Bernard White (U. S. Army overseas); three sisters, Mrs. Clarence Weidner of Germany; Mrs. Alma Phelps of Andrews, and Mrs. Leroy Lynch of Rosebud also survive.

J. C. Penney Co. Authorizes Special Payment For Associates

The board of directors of the J. C. Penny Company have authorized a special year-end payment of an amount equal to two weeks pay for all ful time associates who have been employed for the full year of 1950 and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penny associates except management staff members, whose earnings are determined largely by the Companys long-standing profit-sharing plan, will share in the payment. It will be made on December the 15th at each associate's December 15th pay rate.

Roger Maddox, manager of the local J. C. Penny Company store, said that more than 50,000 Penny accociates throughout the United States would participate in the payment, including 15 of the Cameron store.

He said the Company president, A. W. Hughes, in a letter to store associates, pointed out that the payment was "based upon the results attained for 1950. An extra payment of this sort for a Company of our size represents a very large amount. The possibility of similar payments in future years will continue to depend upon the results attained in those years." Mr. Hughes added:

"We are happy tht Company is able to recognize associates' efforts in this special, substantial manner in addition to the regular Company provisions for associates' benefit, which include the Sick Benefit Plan, the Gratuitous Death and Dismemberment Plan, the Thrift and Profit-Sharing Retirement Plan and others."

City To Buy Motor For Fire Truck

The City Council convened in what might be called a tame session Tuesday night with Mayor Green and all the Aldermen present with City attorney, Roy Baskin acting in W. H. Stafford's place in reading the minutes of the last meeting.

Ralph Michalka, member of the Cameron School Board was present representing the Cameron Fire Department, in regard to purchasing a new motor for one of the fire trucks or making necessary repairs on the machine to keep it in condition to meet the many calls received lately for fires in this area.

Mr. Michalka discussed with the council the urgent need of attending to this problem and after several minutes of discussion among members of the city government, Alderman Milton Schiller made a motion which was seconded by Alderman Bob Terry, to give Mr. Michalka authority to purchase a new motor for the truck and have it installed.

Mr. Michalka told the council that it would be best to wait until after this area gets a good rain as the truck would be needed at the present for the many fires that are now occuring in this vicinity. The aldermen readily agreed with Mr. Michalka. The aldermen voted unanimously for the purchase of the new motor and

Texas Worst Hit By Polio; Campaign Slated January 15-31

A twenty per cent increase over the 1949 total record of polio cases is indicated for Texas this year on the basis of official figures.

According to the National Foundation for Infantile Paralysis, Texas will have over 2,800 new cases of polio in 1950. Texas reported 2,684 cases up to November 18. During November and December in 1949, the state had 217 new cases. The Foundation, using this as a basis of what has happened this year, says Texas will have more than 2,800 cases. The total in 1949 was 2,355.

The State of Texas has received from the NFIP for patient care slightly more than $322,708, more than the state sent in to the National headquarters during the last three years. Texas, thus has had to depend on other states to handle the complete research financing burden and to even aid with care of Texas patients.

Texas which has been among the hardest hit of the states, has receivd almost ane tenth of the cash advances made from the National Foundation. The state is counted in to make up the deficit when the only financing campaign for polio care and research is conducted— the 1951 March of Dimes, January 15-31.

Former Cameron Woman Dies Of Heart Attack

Mrs. Jess Worley, 40, of Beeville died suddenly of a heart attack at her home early Sunday morning. Mrs. Worley before her marriage was Oro Lee Luce, born and raised in this county.

Funeral services were to be held at 10:00 a. m. Tuesday, December 5 at Beeville.

Survivors include her husband of Beeville, her mother, Mrs. Delta Luce of Cameron, Mrs. Green Wells of Waco, a sister in California and a brother, I. W. Luce of Tucson, Arizona.

Mrs. Wells of Waco and Mrs. Luce of Cameron left immediately for Beeville Sunday.

Heart O' Texas Council Speaker

ARNO NOWOTNY

The Annual Dinner Meeting of Haart O' Texas Council, Boy Scouts of America, will be held on December 8th.' 6:30 p. m. at the Roosevelt Hotel's newly decorated Ballroom in Waco.

Dean Arno Nowotny, Dean of Student Life, Texas University, will be the principal speaker of the evening. Dean Nowotny is an ardent Scouter having served as Scoutmaster and in many other positions in Scouting.

Silver Beaver Awards for outstanding and extra ordinary service to youth by adult leaders are scheduled to be awarded. J. E. Johnson of Temple,Chairman of Awards Committee, will make the presentations.

Joe Galbraith of Dallas, District Scout executive of the Circle Ten Council Staff and a former Scout and Scouter of Hillsboro, will lead the group in singing.

Council Commissioner Hugh Thompson will call the roll of the 12 Districts in the Council.

John Sheehy of Waco, and a Council executive Board Member, will serve as as Toastmaster.

Reverend Grady W. Metcalf, Pastor First Baptist Church, Temple, will give the Invocation.

The Annual Buisness Meeting will bet held at 5:15 on the same evening with Hal V. Hays, President of the Council, presiding. The Annual Business Meeting will be attended by Executive Board Members, District representatives, and District Commissioners.

City Council To Assist In Clean-Up

The Cameron Garden Club is making plans to beautify Oak Hill Cemetery it was announced by Mrs. John Henderson.

The garden club with the assistance of the City Council is planning a clean up day at Ook Hill on Wednesday December 6 at 9:00 A. M. Representatives of the club appeared before the city council recently in seeking help from the city to do this needed work. They have as their project this year, "To Beautify Oak Hill."

The committee is composed of Mrs. O. Harden and Mrs. Henderson, with Mrs. E. A. Flinn chairman. They were assured by members of the council they would receive all the needed cooperation and assistance to carry out their program.

Present plans are to make arrangements for the construction of a fence around the cemetery to prevent stock of any kind from damaging the shrubs and flowers.

Mrs. Ruth Thomas, chairman of the civic project committee met recently with Mr. Schiller, Kunz and Perkins to discuss and to complete plans for these improvements. They are urging all those interested in the clean-up to meet at the cemetery and do their share in carrying out this worthwhile project. The aldermen said that the city will furnish trucks and workmen who will assist in various ways.

Truman, Attlee Agree on UN Action

WASHINGTON, Dec. 5—President Truman and British Prime Minister Clement Attlee held a second meeting and diplomatic sources said they agreed to press for action against the Chinese Communists in the United Nations.

These sources also said Britain and the United States have not wavered in their resolve to resist the Red invaders. Never for one moment, they said, have the two Chiefs of State considered withdrawing from Korea.

Underscoring that, high military leaders insisted that the worsening war situation, although grave, is not hopeless. They voiced belief that Gen. MacArthur still can halt the Communist thrust and establish a firm defense line.

The statements by the diplomats, however, seemed to indicate that Mr. Truman and Attlee still are hopeful that some diplomatic maneuver in the U. N. can persuade the Peiping regime to withdraw its troops behind the Manchurian border.

U. S. and British officials in touch with the talks between Mr. Truman and Attlee said that the governments endorse an appeal made at Lake Success by 13 nations asking the Chinese Reds to halt their drive into Korea at the 38th Parallel.

The American and British leaders met aboard the yacht Williamsburg.

Some indication of the trend of the Truman-Attlee conferences may be given by the Prime Minister Wednesday. He is scheduled to address the National Press Club at 1:30 p. m. EST. The speech will be broadcast by at least two networks— the National Broadcasting Co. and the Columbia Broadcasting System.

New Enlistment Regulations In The Air Force

M Sgt. Albert H. Cobb, Local Recruiting Sgt. has been notified that men with not more than two dependents may now be enlisted in the Air Force.

Persons enlisted are entitled to family allowances. This applies to men with or without prior military service. Men with previous service may be enlisted, in some cases in a grade as high as corporal. Anyone interested may contact Sgt. Cobb at the Chamber of Commerce office on Tuesdays and Saturdays.

Mrs. John Perry Dies In Sweetwater

Mrs. John Perry, 53, Sweetwater, died at her home early Monday morning and will be brought to Cameron for Burial Tuesday December 5.

Mrs. Perry is the former Mattie Lankofrd and was a native of Milam County and was reared in Cameron. Her husband is employed by the Santa Fe Railroad and they have been residents of Sweetwater for several years.

Funeral services were to be held from the Chapel of the Marek-Burns Funeral Home Tuesday December 5 at 2:30 P. M. with Dr. Mark C. Magers conducting.

Interment will be made in Oak Hill Cemetery with Marek-Burns directing arrangements.

Other arrangements were pending on arrival of relatives.

Knights Of Pythias Elect Officers For Ensuing Term

At the regular meeting of the Knights of Pythias, Monday night December 4, the following officers were elected for the ensuing term: Fritz Schwarting, Prelate; Allen Dodson, Master of Works; J. M. McLean, secretary; B. L. Archer, Master At Arms; Richard Moseley, Inner Guard; Samuel White Outer Guard; W. O. Triggs, Trustee and Grady Allen, Deputy Grand Chancellor.

The Rank of Knight will be conferred at the next meeting Monday December 11, and all who have parts in this rank are urged to be present.

Mexia Pee-Wees To Meet New Orleans Team In Waco December 30

A versatile youngster named Bobby Lott, 13, the 95 pound fullback of the Mexia Texans will be the hope of the Mexia pee-wee team when it meets the New Orleans Jeff Davis Jays in the Milk Bowl in Waco on December 30. Young Lott is a left-handed passer with prospects of developing into a brilliant high school star, a good broken field runner and does all the team's punting.

Pee-Wee Lott is supported by Don Green, 92 pounds; Billy Outlaw, 99, and Bobby Sikes, 79 pound speedster, and the team runs plays from straight-T and the split-T formations. They pass for extra points.

The prospects of clashing with a football team from the big city of New Orleans doesn't bother the Mexia Texas pee-wee team, from a town of about 6,650 population.

The New Orleans pee-wee footballers, sponsored by that famed city's recreation department, and Mexia's junior Grade stars meet on the afternoon of December 30 in a unique bowl game—the National Milk Bowl.

Baylor University's ornate new $1,750,000 football stadium will be the site for the first intra-state clash of pee-wee football powers. The Waco Junior Chamber of Commerce, sponsors of the game are arranging a big show for the game, with celebrities, well-known Southwest Con-

All proceeds from the game go into youth welfare funds administered publicly by the Jaycees.

Mexia will bring a squad of 26 young footballers — none of them more than 14 years old or weighing more than 100 pounds— to Waco for the affair.

The New Orleans team is expected to bring about the same size squad. Both teams are full-fledged units, with fancy uniforms and plenty of coaching.

Mexia is coached by J. C. (Lefty) Collier, a native of Corsicana, Texas where he was a football letterman for three seasons. He was an All-District performer in his final school year. After three years in the Army Collier lettered two years in football, basketball, track, and baseball at Navarra Junior College at Corsicana. He was captain of his football team both years.

Collier's team has played five ball games this, their first season. After two practice games they met the pee-wee team from Gause, Texas— birthplace of the Milk Bowl last year—twice and one other Texas team. Mexia won two of the three out-of-town contests.

Doll Needed For Infant Jesus In Manger Scene

The committee for the erection of the Manger Scene in the City Park is appealing to citizens here and in the county for a life size baby doll that may be used to represent the Infant Jesus; Mrs. Loretta Brock, secretary at the Chamber of Commerce said.

Surely someone has a large doll that would be suitable for the occassion and the doll should be made of material that will withstand the weather.

Probably there are children who have outgrown their dolls and will be glad to offer their's for this needy cause. If there is someone who has a doll to offer, please call the Chamber of Commerce, Phone No. 101. This will certainly help the committee and be a major contribution to this symbolic Christmas scene.

The different committees have worked hard this year in trying to make the Christmas program a success. Work is going forward to complete the program scheduled for December 4.

Friends of Mrs. Jesse Leonard regret to learn she is ill and a patient in Scott and White Hospital in Temple. Mrs. Leonard is the mother of Mrs. O. L. Hairgrove of Cameron.

Reds Advance On Former Capital

SEOUL—The United Nations was in full retreat Monday from the former North Korean Communist capital of Pyongyang.

The retreat began Sunday and continued through the night under the ghastly light of flaming ammunition dumps and other structures demolished by the 8th Army in its "scorched earth" policy.

Advance elements of the Chinese and North Korean Communist hordes of 650,000 men were reported only 12 miles from Pyongyang filling up the vacuum left by the 8th Army's withdrawal.

There was little fighting reported in the vicinity of the first Communist satelite capital ever to be taken by the United States.

Its abandonment to the enemy was a matter of grim necessity, with over whelming numbers of Chinese sweeping down the west coast and center of Korea and plunging to within 15 mile of the east coast.

The lateral drive toward the vital United Nations bases of Wonsan, Hamhung and Iwon threatened to catch the entire U. S. 10th corps in a gigantic trap and cut off its bases.

The 10th Corps, including the 1st Marines and 3rd and 7th Infantry Divisions, landed on the east coast in a series of amphibious operations and are still supplied from ships.

At last report considerable numbers of the marines and 7th were fighting their way toward bypassed Hagaru, 45 miles north, northwest of Hamhung.

Two Marine regiments broke loose from a Red trap west of Changjin reservoir and were reported only two miles from Hagaru.

Correspondent Bernard Kaplan on the northeast front reported the first atrocities ascribed to the Chinese Communists in this general area.

Texas To Get Highway Funds

WASHINGTON, Nov. 27.—The government parceled out 80 per cent of its federal aid highway funds Monday and Texas received more than any other state except New York.

The Bureau of Public Roads apprortioned $400,000,000 of the $500,000,000 which Congress authorized for federal aid to the states for highways during the year beginning July 1, 1951.

Texas' share of this amount is $23,333,713, which is available to the state immediately and will remain in the Texas account until June 30, 1954.

Road officials are waiting on final census figures before alloting the rest of the money. An important factor in determining how much each state gets is the percentages living in urban and rural areas, as reported by the Census Bureau.

Of this $100,000,000 still to be apportioned, officials estimated that Texas would receive approximately $5,500,000, raising the Texas total to $28,828,000.

The Texas allottment announced Monday provides $11,425,744 for projects on the federal-aid highway system, $7,638,141 for secondary or feeder roads and $4,269,828 for urban construction.

Funds for the federal-aid highway system are allotted in proportion to area, population and mileage of post roads, each being given equal weight Funds for secondary roads are divided in the same way, except that only rural projects is based on municipal populations.

Mr. and Mrs. Joe Bass visited in the home of L. C. Newcomb at Caldwell over the week end.

Miss Ann Schiller visited in Temple Thursday.

Mr. and Mrs. Bernard L. Miler of Iowa and Mr. and Mrs. Clyde Mosley of Temple visited in the home of Mrs. Alma Houston recently.

Mrs. A. C. Senkel and daughter, Kathy of San Antonio have concluded a two weeks visit with her parents, Mr. and Mrs. Joe Hibner here. Mr. Senkel who has been on a deer hunt joined his wife and daughter for a week end visit in the Hibner home.

How can you pass up our prices?
As we've been saying for quite a spell—"Whatever your price range—Better buy Buick."
But maybe we'd better get down to brass tacks, as to just what this suggestion means.
In the lower-price field, this has been happening:
Four out of ten Buick SPECIALS—bought by people with a car to trade in—have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!
In the fine-car field, something even more impressive has happened:
Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!
So—whatever your price range, take a look at our prices—and at what you get for your money.
What you get is the thrill of owning the greatest Buick of all time—as registered by record-breaking sales.
What you get is power and style and comfort and performance that are hard to match in any other automobile.
More specifically—you get the power-with-thrift of Buick's famous Fireball high-compression engine—a style that stands out in any company—a ride with the comfort of coil springs on every wheel—and performance that makes you feel like the head man on any highway.
Better come in today—and see what can be done about getting quick delivery.
Only BUICK has Dynaflow drive* and with it goes:
HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.
*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models
YOUR KEY TO GREATER VALUE
WHATEVER YOUR PRICE RANGE Better Buy Buick-Now!

Dinner Tables; Mrs. Emory B. Camp, Mrs. W. R. Newton, Sr., and Mrs. Aubrey Hightower and Mrs. David Shapiro as honorable mention.

Buffet; Mrs. J. D. Moore, Mrs. Leo Fuchs, and Mrs. Alvin Dusek with Mrs. Theo Fuchs as honorable mention.

Doors; Mrs. Alvin Dusek, Mrs. Leo Fuchs and Mrs. W. R. Newton, Sr., with Mrs. Ed Gunn and Mrs. J. D. Moore taking honorable mention.

Church; Mrs. J. D. Moore, Mrs. Howard Baskin and Mrs. Leo Fuchs.

Tri-Color, Mrs. J. D. Moore and sweepstakes, Mrs. Leo Fuchs.

Several hundred people attended the show and the club members received many congratulations on their cultural achievements. There were a number of visitors from surrounding counties. The show was opened at 3 P. M. Monday and remained open until 8 o'clock. These unusual artistic arrangements displayed in the show have created another progressive step in the history of the club and the members are to be congratulated the many efforts in making this show an outstanding success this year.

Rotary-Lions Clubs To Sponsor Banquet

The annual Yoe High School football banquet will be held at the Yoe High Gymnasium on Thursday December 14, it was announced by coach Paul Smith. Plans are being completed for this major event for the A and B squads, which is sponsored by the Rotary and Lions Club.

Peppy Blunt, a former member of the Texas University squad, and now a member of the Texas Legislature from the Big Springs area, will be the main speaker.

Members of the clubs are working out a detailed program which will be anonunced in full later. Coach Smith said that a delicious barbecue supper will be prepared for the event and tickets will soon be on sale to the public for those who wish to attend. The price will be $1.50 per person.

The football boys and coahces have worked hard this year and deserve congratulations for their efforts and the Rotary and Lions Clubs are taking this means to express their appreciation to them by sponsoring this annual avent.

CARD OF THANKS

I wish to take this means of thanking all who sent flowers, cards and visited me during my recent illness at Newton Memorial Hospital.

ROBERT WEEMS

Mr. and Mrs. Albert Drozd were guests in the home of Mr. and Mrs. Fritz Senkel in Buckholts Sunday.

Speaker At Rotary Lunch Wednesday

Jack H. Dillard

Tht Rotary Club of Cameron Wednesday was host to Jack H. Dillard, governor of the 187th District of Rotary International, who is making his annual official visit to each of the 25 clubs in central Texas, President Bill Burns of the Cameron Club has announced.

While here Dillard conferred with President Burns, Secretary Richard W. Moseley and other Cameron Rotary officers on club administration and Rotary service activities. He addressed the club at its noon luncheon Wednesday.

Dillard is executive secretary of the Ex-Students Association of Baylor University at Waco. He is a past president of both theWaco and Mexia Rotary clubs. He is one of 201 Rotary District governors who are supervising the activities of some 7,100 Rotary Clubs which have a membership of 342,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary clubs are located, their activities are similiar to those of the Rotary Club of Cameron because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, for example, 293 new Rotary clubs were organized in 36 countries of North, South and Central America, Europe, Asia, Africa and the Islands of the Pacific.

Former Cameron Man To Head Revival At Local Church

A Revival meeting will begin at the Cameron Gospel Tabernacle on Tuesday night December 5 at 7:30 it was announced by Rev. H. M. Bowley, pastor.

Rev. Modest Pemberton, son of Mrs. Nora Pemberton of Cameron who has been in the ministry for several years and now pastors a large church in Houston will bring the Gospel Messages.

Rev. Pemberton is well known over the state of Texas and also Louisiana where he has held a number of revivals. He is considered one of the outstanding spiritual leaders in the evangelistic work of the program his church is now engaged in. Friends in Cameron will be glad to know of the progress Rev. Pemberton has made in this work.

Dr. J. B. Woodall Is Guest Speaker At Nurse's Association

The Milam County Nurses Association met recently at the Milam Coffee Shop, Mrs. Bill Wallace, secretary announced.

Dr. J. B. Woodall who recently came to Cameron from Richland Springs and is affiliated with the Newton Clinic and Hospital, gave an interesting discussion on polio. A film was shown on the diagnosis and management of poliomyletis.

Plans were made for the annual Christmas program which will be held in December 12.

A refreshment course was enjoyed after the business session.

MAYSFIELD NEWS

Rev. B. N. Scott, pastor, Methodist Church gave an inspiring sermon at the church Sunday.

Rev. John McCleran preached in Taylor Sunday.

The Styleline De Luxe four-door sedan is one of 14 models introduced by Chevrolet as its passenger car line for 1951. Notable in this picture are the design improvements which accentuate a longer, lower appearance. Radiator grilles have been simplified, the decorative body moulding lowered and rear fender crowns raised. Models also offer added safety.

Mr. and Mrs. J. D. Hartnett and family of Galveston were recent guests of Mr. and Mrs. Joe Hibner.

Mr. and Mrs. E. C. McFarland, Douglas and Charlotte spent Thanksgiving day in the home of Mr. and Mrs. A. B. McFarland.

Sherwood Watson McClaren III, student at A & M College, is spending the holidays with his parents. He is a Sophomore.

Mrs. Maggie Davidson of San Gabriel visited Mrs. R. S. Wiley recently.

Elmer L. Foster, F. H. A. State Engineer visited in the local County Farmers Home Administration office Thursday.

William Lewis Mode of Stephenville visited relatives here during the Thanksgiving Holidays.

Enemy Moves To Air Center

TOKYO, December 5— The Allies quit Pyongyang Tuesday as spearheads of a mgihty 1,000,000-man Chinese Red Army threatened to outflank that onetime Korean Communist citadel.

It was quite possible the surging Red forces would recapture the former northern capital without firing a shot.

Observation planes reported Tuesday the Reds had occupied Pyongyang airfield on the city's northeast outskirts.

United States Eighth Army sources said that Red guerrillas may have entered Pyongyang but there was no confirmed reports that the Reds had occupied the city.

The last American and South Korean troops north of the city of 300,000 withdrew shortly before Monday midnight. Their way was lighted by large fires as material of military value went up in flames.

Demolition squads touched off thunderous explosions as the troops moved south.

The main section of Pyongyang north of the Taedong River was left intact, however, just as it was found October 19-20 when then-triumphant United Nations troops freed the first communist satelite capital.

The British 29th Brigade covered the withdrawal of the Americans and South Koreans, then itself began moving south through Pyongyang's center across the ice-chocked Taedong.

The British brigade started pulling out early Tuesday.

The Pyongyang airfield was abandoned shortly after midnight.

Thousands of refugees, however, waded across the Taedong or clambered along the twisted and torn framework of destroyed bridges which had spanned the river.

United States engineers blew up a newly rebuilt railroad bridge leading out of the city, as the retreating Eighth Army traded space for time to avoid entrapment.

The Chinese Communist masses, who have compelled the Eighth Army to retreat more than seventy miles since Nov. 24, were under dawn-to-dusk air attack north of Pyongyang.

The Far East Air Force reported its planes killed 2,100 Reds in North Korea Monday, pushing the last 3-day total past 6,000.

Be A Goodfellow

I came to Milam County by birth on a warm windy spring day in 1949. My Latin parents were born in Milam County, Texas. My mother is 21 and very pretty. My 35 year old father has worked hard all his life but has ended this and two farm seasons before in debt. My five year old sister and brother, three, run and play all day. They are healthy. I, too, played until several weeks past. I took a cold and high fever developed. Four doctors worked with me, but I have cerebral palsy and my left side is paralyzed.

Brother and sister sleep on a double bed with a thin cotton mattress. They have one cotton blanket for cover. Mother and father have a bed, thin cotton mattress and one cotton blanket. I sleep at night on a mat of old rags and torn cover in the corner on the floor in my parents' bedroom. This is all we own other than an old wood cook stove.

Mother has been very sick three weeks with a severe cold and high fever. Father works every day of the week. He comes in from the field to cook for us in the middle of the day. The house my people lived in burned before I came to make my home in Milam County.

The State of Texas will soon give me medical treatment. We need a few extra pieces of cover. Our house is warm and we can purchase food and wood on credit to be paid by next year's cotton crop.

May your blessings be many this Christmas and New Year be a happy one.

Any gifts received will be greatly appreciated and they may be left at the Sheriff's office at the Court House. This family is in need of covers.

Mr. and Mrs. Rolen Gandy and family, Mrs. Susie Matthews of Cameron and Mr. and Mrs. Hubert Johnson of Temple were guests in the Flake Brooks home at Freport over the week end. While in Freport they fished in the Gulf of Mexico and were happy to report a good catch and plenty of oysters. They reported a wonderful time.

Clayton Kahler, Medical student at Southwestern University in Dallas and James Kahler, student at University of Texas were guests in the home of their parents, Mr. and Mrs. E. L. Kahler in Cameron over the week end.

Better Cough Relief

When new drugs or old fail to stop your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. U. N. Forces Set For New Blows

TOKYO, Saturday, Dec. 2,— Cut-off American Marines and Army infantrymen made a fighting retreat in Northeast Korea Friday while the 8th Army braced for expected heavy new Chinese Red blows in the northwest.

There was no present intention to use atom bombs— a weapon of last resort— against overwhelming Chinese Communist forces, General MacArthur's headquarters indicated.

Chinese Reds, numbering probably more than 300,000 on the two war fronts, filtered at one point within 30 miles east of Pyongyang, the former Korean Communist capital. Their spearheads split the 8th Army in the west from road contact with the 10th Corps in the east.

A biting wind swept North Korea as a cold snap approached.

Taking advantage of clear weather while it lasted, Allied fighters and bombers hurled all available planes at the advancinrg Chinese. They slammed hardest at 10,000 Red troops crossing the Chongchon west and south of Kunu "with many vehicles."

The U. S. 2nd Division held the Kunu keystone position against overwhelming odds long enough to permit the successful withdrawal across the Chongchon by U. S. 24th and 25th Division the Republic of Korea 1st Division and British and Turkish Brigades.

Two bridges spanning the Chongchon north of abandoned Anju were blown up by retreating Americans. It checked momentarily the onrushing Reds, all of whom were identified as Chinese.

U. S. 1st Cavalry Division troops were in a fire fight near Chonkchon 28 8miles northeast of Pyongyang, where the Chinese tried to run the east end of the line.

Dealers Will Display New 1951 Chevrolet On December 9

New 1951 Chevrolet passenger cars and trucks will go on display simultaneously at 7,690 dealerships on Saturday, December 9.

Announcement of the showings by W. E. Fish, general sales manager of the company, was coupled with an estimate that more than 10,000,000 people will inspect the latest series during the introductory period.

"Reports from the field indicate one of the most successful showings in our history," said Fish. "Not only have we found widespread interest in the new model features, but dealers are working on elaborate programs in connection with the event. In many centers the showings will take on all of the aspects of a civic celebration.

"For the Chevrolets retail organization the presentation of the 1951 series will come as a climax to its greatest year. Sales during 1950 will establish a new record and once again will top all competition by a substantial margin."

Churches Unite In Annual Service In Giving Thanks

The annual Thanksgiving services held at the First Christian Church Wednesday night at 7:30 was well attended.

Every protestant church in the city was represented at the union service and the program got underway with a prelude by Mrs. Frances Cox, organist. The congregation sang "Come Ye Thankful People, Come." R. V. Wendell Carr, minister at the Christian Church read "The Call To Worship." Rev. Jim McKewon read the "Scripture."

Rev. H. O. Buttram, pastor at the Assembly of God Church, gave the Thanksgiving prayer which preceeded the choir singing, "For The Beauty Of The Earth," the thanksgiving hymn. The Thanksgiving sermon was given by Dr. Mark Mager, minister at the First Methodist Church and Rev. Buttram closed with the Benediction.

The protestant churches each year join together in observing this union service in giving thanks for the many blessings received during the year.

JONES PRAIRIE
By MRS. JOE HICKMAN

Miss Ethel McKinney and Mrs. J. A. McKinney entertained the H. D. Club Tuesday afternoon, November 28 at their attractive home. The living room was colorfully decorated with pots of ivy and other greenery. In the dining room an arrangement of Magnolia leaves flanked by tall white tapers made an attractive centerpiece for the dining table.

Mrs. A. H. Patzke gave the council report. Mrs. E. B. Yager, program chairman had charge of the program and presented Mrs. J. A. McKinney who read, "Here, is for a Merry Christmas." Mrs. Robert Glenn gave a demonstration on making frosted candles which proved to be very interesting after which names were drawn, and plans completed for the Christmas party which will be December 19 at the Community Center. Mrs. Glenn, president, presided over a brief business session at which time she named the following committees. Refreshment, Mrs. E. B. Yager, Mrs. R. K. Fontaine and Miss Edna McKinney; Decorating, Mrs. J. T. McNeill, Mrs. A. H. Patzke and Mrs. S. S. Hickman.

At the conclusion of the meeting the hostesses served dainty sandwiches, cookies and coffee to eleven members and two guests, Mrs. D. B. Douglas and Mrs. Joe Clarke.

Mr. and Mrs. Bailey Jones and son Jamie and Mrs. Hope Jamison visited Mr. and Mrs. Hardie Jones and Mr. and Mrs. John Collins in Dallas Tuesday of last week. Mr. Collins is educational director of East Dallas Baptist Church.

Lee Mitchell of Gladewater was a week end guest of Mr. and Mrs. Dick Young. Mr. Mitchell is Coach of the High School there.

Misses Patricia Bailey and Jimmy Henson and Bob Bailey spent Sunday with Mr. and Mrs. C. H. Massey.

Mr. and Mrs. J. H. McNeil were Austin visitors Tuesday of last week.

Mrs. D. B. Douglas of Bryan spent last week with her daughter, Mrs. R. K. Fontaine.

Rev. and Mrs. Stanley Ray and little daughters, Barbara and Jane were Sunday dinner guests of Dr. and Mrs. W. J. Fontaine.

Mr. and Mrs. Marvin Hickman spent the Thanksgiving holidays with her mother, Mrs. M. P. Carroll of Houston.

Harlon Lester of Waco spent Friday with Mr. and Mrs. Merlin Lester.

Thanksgiving Day guests of Mr. and Mrs. Carlton Crook were Mrs. Homer Cook and children, Bruce, Jimmy and Betty Dell and Mrs. J. A. Brand of Cameron.

Miss Eula Lane Sweet spent Sunday with Mr. and Mrs. Joe Bailey.

Mrs. O. T. Canady and son, Wayne, Mrs. Joe Clark and children, Sharron and Tommy visited relatives in Houston over the week end.

Mr. and Mrs. W. C. Phipps of Austin spent the Thanksgiving holidays with his parents, Mr. and Mrs. Clay Phipps.

Mrs. Homer Crook and son, Jimmy and daughter, Betty Dell of Cameron attended Sunday morning church services here.

Mrs. Ira Lee Parker and sons, Arthur Lee and Gordon of Rogers spent the holidays with her parents, Mr. and Mrs. A. L. Burnett.

M-Sgt. and Mrs. John Atkinson of Randolph Field, San Antonio visited her parents, Mr. and Mrs. Fritz Patzke and Sgt. Atkinson's mother, Mrs. W. A. Atkinson over the holidays.

LARGEST CROWD—
(Continued from page one)

of Gause, accompanied by Jimmie Harris.

The Ada Henderson Choral Club, directed by Miss Melanie James sang, followed by the O. J. Thomas Choral Club, under the direction of Elizabeth Kingsbury.

The Group singing led by Miss James with Mrs. Francis Cox at the piano was enjoyed by the entire congregation and lasted for almost an hour. The manger scene erected in the park was a most beautiful sight and will be lighted each night continuing through the Christmas Holidays.

The nativity scene with the lighted effect brings out the simplicity of the birth of Christ and reminds us as the season draws nigh of "Peace On Earth, Good Will Toward Men."

The beautiful street decorations which were put up by members of the Junior Chamber of Commerce far surpass any previous decorations erected in the city and efforts put forth by this young organization are appreciated by citizens.

Many of the stores and business establishments have decorated their windows in preparation for the yuletide season.

Ondrey Holcek, Sr. Celebrates Birthday

Ondrey Holcek Sr., of Moulton celebrated his 66th birthday Thursday, November 30 at the home of his daughter, Mrs. Albert Peschel of Rogers.

All his children as follows were present to enjoy the day with him; Mr. and Mrs. Joe Holcek and daughter, Verna Mae, Ruby Lee, Mary Ann, Gloria Faye and son, Franklyn of Clarkson, Mr. and Mrs. Audrey Holcek, Jr., of Rosebud, Mr. and Mrs. Leo Glaser and sons Leo Jr., Royce Glenn and Delmer Ray of Cameron, Mr. and Mrs. Albert Peschel and daughters, Cynthia and Jewell of Rogers, Mr. and Mrs. Beatrice Barnett and sons Drewford and James of Hico and Mr. and Mrs. Sylvester Holcek and daughter, Barbara Ann of Hamilton. Mr. and Mrs. Monroe and family of Olenville were unable to attend.

The hostess served a delicious chicken dinner with all the trimmings. A beautiful birthday cake was baked by his daughter, Mrs. Peschel and presented to him.

Mr. Holcek received many lovely gifts and good wishes.

Mrs. Lois Raymond Hostess To Beta Sigma Phi Sorority

Mrs. Lois Raymond entertained the Beta Sigma Phi Sorority at her home on Tuesday night November 8.

Plans were completed for the annual Christmas tree program which will be held on Friday December 8 at the Cameron Country Club.

Mrs. Hallie White gave a report from the committees that have been working on the Christmas program and members will be glad to know that an interesting program is in store.

Mrs. Raymond presided over the program and used as her topic of discussion, "Verse."

The hostess served Cokes as refreshments.

Mrs. Sam Tindall Honored With Birthday Friday December 1

Mrs. Sam Tindall was given a surprise birthday dinner at the home of Mr. and Mrs. John Tindall at 821 N. Milam Friday evening, December 1.

Enjoying the occasion were, Mr. and Mrs. M. C. Fisher and children of Rankin, Miss Johnnie Tindall of Austin, Mrs. Sam Clark and daughters, Alice Faye and Lela Ray, Mr. and Mrs. Hugh Ridout, son and daughter, Mr. and Mrs. J. K. Elliott and sons nd Mrs. A. B. McFarland of Cameron.

After Mrs. Tindall had opened her lovely gifts a dinner consisting of chicken with all the trimmings was served. Large white chrysanthemums formed the centerpiece for the large table. Mrs. Ridout was assisted in serving by Mrs. Elliott.

The honoree received many nice gifts and thanked each in her charming manner.

Miss Baskett Wed To Monroe Bannister

Miss Anna Jean Baskett of Milano and Monroe L. Bannister of Temple exchanged marriage vows Thursday evening in a candlelight ceremony at the home of Mr. and Mrs. W. L. Bannister in Fort Worth.

The bride is the daughter of Mr. and Mrs. C. L. Baskett of Milano. Mr. and Mrs. E. M. Bannister of Temple are the bridegroom's parents.

Dr. L. E. Carlson read the double-ring ceremony at 8 P. M.

Nuptial music was presented by Mrs. W. L. Bannister.

Mrs. W. H. Gilliland of Fort Worth was matron of honor, and W. L. Bannister was his brother's best man.

The bride chose a navy blue suit and navy accessories for the ceremony, which was followed by a reception.

Mrs. Jack Mauldin and Mrs. M. C. Adams presided at the refreshment table.

The bride graduated from Milano high school. Mr. Bannister, graduate of Temple High School, attended John Tarleton college and is now employed by the Santa Fe railroad. The couple are at home at 806 South Seventh in Temple.

Attending the wedding were Mrs. Baskett of Milano, Mr. and Mrs. Bannister and Mr. and Mrs. Jack Mauldin of Temple, Dr. and Mrs. Carlson, Mr. and Mrs. Adams, Mrs. Jack Smith, Mr. and Mrs. Bannister and son, Larry of Fort Worth.

Two Milano Couples Celebrate Golden Wedding Anniversary

On November 28, 1900 a double wedding of interest to a wide circle of friends took place at the home of W. B. Taylor near Milano.

Miss Annie Taylor, daughter of Mr. and Mrs. W. B. Taylor was married to Claude Westbrook and their son M. A. Taylor was married to Miss Irene Westbrook.

On November 26, 1950 the couples celebrated jointly their golden anniversary at the home of Mrs. R. L. Mills, daughter of Mr. and Mrs. M.A. Taylor.

Very seldom does such an occasion occur that all four participants of a double wedding reach their golden anniversary together. With the exception of Mr. Taylor all are natives of Milam County and the community of Milano. Mr. Taylor was brought, as a baby by his parents from Alabama and has resided in the Milano community since that time.

Approximately ninety-five relatives and guests called to wish the couples continued happiness and congratulations during the hours of two till five.

After greeting the honorees, each guest was asked to register in each of two guest books. The evening was pleasently spent revocating incidents of the past that had happened through the years and the happy moments the respective families had enjoyed with friends. The many lovely gifts received by the honorees was an assurance of the highest esteem in which they are held by friends and relatives.

The dinning table covered with lace cloth with gold ribbon running diagnally across and cenetered by two gold containers of golden-hued ponpon crysanthemums, held the coffee service at one end and a white cake embossed in gold at the other end. Mrs. Jim Swanzy and Delbert Taylor presided at the coffee service and Mrs. John Westbrook and Alma Roland served the cake. Seasonal flowers were at appointed places throughout the house.

Six of the seven Westbrook children were present to share in hospitalities in honoring their parents. One son, Bertram Westbrook of Austin was unable to attend. Jack Taylor of Jacksonville, Florida and Mrs. George Black of Dallas were the only members of the Taylor family not present. There were seven children in the Taylor family also.

The couples received many good wishes of the day and these two couples have been an inspiration to the community for a half century.

Eugenia Lee Akers Becomes Bride Of Preston Read Thursday

Miss Eugenie Lee Akers became the bride of Edwin Preston Reed at the home of the bride's parents, Mr. and Mrs. H. M. Akers, Thursday, November 30 at 10 A. M.

Rev. Frank Newton read the impressive double-ring ceremony before the families of the couple.

The bride wore a navy street length dress lined with pink taffeta with a peplum over the skirt. Her accessories were navy and she wore a pink hat and gloves and pink gardenia corsage.

Miss Elizabeth Patterson of San Antonio attended the bride and wore a light blue dress with navy accessories and a pink carnation corsage.

The groom was attended by Lavert McKinney, brother-in-law of the bride.

The groom is the son of Preston Read of Orange, well known civic leader of that city.

After a short wedding trip to the valley and other points of interest in the state, the couple will be at home in Temple where Dr. Read is an intern at Scott and White Hospital.

Mrs. Read is a graduate of Yoe High School and Baylor University. Dr. Read is a graduate of Lufkin High Schoool, the University of North Carolina and the University of Texas Medical School.

Mrs. Annie Kamenicky Honored on Her Eightieth Birthday

Mrs. Annie Kamenicky of Cameron celebrated her 80th birthday at her home Wednesday evening, November 29.

Enjoying the occasion were her children and relatives as follows: Mr. and Mrs. Will Kamenicky of North Elm, Mr. and Mrs. Emil Kamenicky, and daughters, Patsy of Buckholts, Ann Schiller of Buckholts, Mr. and Mrs. John Kuzel and son, E. J., Mrs. John Ermis and son Denson, Mrs. Richter of Cameron, Mr. and Mrs. Adolph Kamenicky, Mrs. Rudolph Kamenicky, Sissy Nell and Adelle Fikes.

A delicious turkey dinner with all the trimmings was served.

Mrs. Kamenicky was surprised with many nice gifts.

Frances Kamenicky, George Tepera Married In Church Ceremony

Miss Frances Kamenicky, daughter of Mrs. Roman Marak, became the bride of George Tepera, son of Mrs. Frances Tepera, at 8 A. M. Monday morning, November 20 at the St. Monica's Catholic Church. Rev. Frank Ecimovich, parish priest, read the wedding vows.

The bride was given in marriage by her step father, Roman Marak. She wore a beautiful moonlight satin gown with a seed pearl trim collar. The long sleeves were daintily trimmed in buttons and her full gathered skirt fell into a train with a pearled reed which held her fingertip veil. She carried a rosary covered with beautiful white mums to which were attached streamers with dainty white bows.

Clara Horelica and Nell Fikes were bridesmaids. Miss Horelic wore an aqua taffeta gown and her bouquet was pink mums. Miss Fikes wore a pink net over taffeta gown, carrying a bouquet of orchid mums. Both were wearing flowers in their hair.

Richard Kamenicky, brother of the bride and Robert Zarosky served as groomsmen.

Following the ceremony, a reception was held at the home of Mr. and Mrs. Roman Marak, serving barbecue and turkey.

Miss Harriett Dodson Bride-Elect Honored With Party Saturday

Miss Alba Pamplin was hostess to twenty one guests Saturday morning at the home of Mrs. Dewey McElwrath, honoring Miss Harriett Dodson, whose aproaching marriage to Thomas Brashear was announced.

Mrs. McElwrath was at the door and the hostess was in the receiving line with the bride-elect and her mother, Mrs. Nolan Dodson and Mrs. Warren Brashear. Miss Jacqueline Pamplin and Mrs. Jack Pamplin were also in the house party.

On the mantel was a lovely arrangement of blue mums which were used at other appointed places in the room, as blue and white are the bride-elect's chosen colors.

Miss Jacqueline Pamplin and Mrs. McElwrath assisted the hostess in serving hot tea, open face sandwiches and pastel mints. Plate favors were tiny white bells tied with blue satin ribbons. Concealed in the bow was a blue scroll with "Harriett and Thomas, January 14th," written in white.

The bride-elect is the daughter of Mrs. Dodson and the late Nolan Dodson and the groom-to-be is the son of Mr. and Mrs. Womack Brashear.

Eleanor Schmidt Is Bride Of George Hollas In Church Ceremony

Miss Eleanor Schmidt became the bride of George Richard Hollas on December 2, at nuptial mass at St. Monica's Catholic Church. Rev. Frank Ecinowich, officiated.

The bride, daughter of Mrs. Victor R. Schmidt was given in marriage by her brother Victor Schmidt of Austin. She wore a gown designed with a molded bodice of white chantilly lace over satin. The nylon designed tulle yoke was edged in lace flowers which were trimmed in white sequins. The fingertip veil of illusion fell from a tiara of seed pearls. She carried a mother of pearl prayer book, the gift of the groom, and a single orchid with shower streamers of white satin ribbons.

Mrs. A. F. McCormick of Raymondville was matron of honor. She was attired in a frosted pink satin gown made with full skirt attached to an elongated fitted bodice with high neckline and cap sleeves. She wore short mitts and carried a bouquet of blue chrysanthemums. The brides maids, Mrs. Douglas Beck of Temple, sister of the groom, and Mrs. Eugene Mitchan of Cameron, wore dusty blue satin gowns of identical design as that of the matron of honor. They carried bouquets of rose beige chrysanthemums.

Louis Hollas served as best man. Groomsmen were Douglas Beck and Eugene Mitchan. Ushers were Pete Kunz and Monroe Marek.

Preceding the ceremony Miss Marguerite Grissom of Austin played the nuptial music and sang "Ave Maria," "Panis Angelicus" and "On This Day Beautiful Mother."

The altar was decorated with candelbra, palms and arrangements of white chrysanthemums.

The reception was held immediately after the ceremony for relatives and out-of-town guests.

Mrs. Schmidt wore a black faille suit with white accessories and a white carnation corsage. Mrs. Hollas chose a green gabardine suit with black accessories and also white carnation for her corsage.

The bride chose as her going away suit a Navy blue militaire gabardine. Her accessories were frost pink and she wore an orchid corsage. After a short wedding trip to New Orleans, they will be at home at 309 East 13th in Cameron.

The bride, before her marriage was employed at the Mack's Oil Company and is a graduate of Yoe High School. The groom, son of Mr. and Mrs. Richard Hollas is associated with the Cameron Machine Shop.

Out-of-town guests for the wedding were: Mr. and Mrs. V R. Schmidt Jr., Diane and Suida of Austin; Mr. and Mrs. Edward M. Tomsu and family of San Antonio; Mr. and Mrs. A. F. McCormick of Raymondville; A. E. Schmidt of Dallas; Miss Nina Stehr of Austin; Mr. and Mrs. Albert Kruhl and family of Austin; Mr. and Mrs. J. H. Stehr of Houston; Mr. and Mrs. H. Beck of Temple.

ENGAGEMENT ANNOUNCED

Mrs. Nolan Dodson announces the engagement and approaching marriage of her daughter, Harriett, to Thomas Edward Brashear. The ceremony will be performed at the First Presbyterian Church January 14th at 5 P. M. Miss Dodson is the daughter of Mrs. Dodson and the late Nolan Dodson and Mr. Brashear is the son of Mr. and Mrs. Womack Brashear.

270,000 REDS IN ATTACK AGAINST ALLIED TROOPS

TOKYO, Nov. 29— Chinese Reds swung thirteen miles in behind American positions in Northwest Korea Wednesday through the crushed east flank of the 75 mile United Nations front.

American reinforcements and tanks rushed up to meet the flank menace while U. N. Forces in the west and center of the line made an orderly withdrawal up to ten miles southward toward the Chongchon River.

The withdrawing forces yielded Yongbyon and Yongsan on the northwest side of the river and Won on the east bank.

The critical situation, posed by 200,000 Chinese Reds and 70,000 North Koreans, amounted to "an eitirely new war," Gen. Douglas MacArthur said in a special communique. He promptly summoned his two top generals in Korea to Tokyo for an emergency conference. It lasted four hours.

From Red-captured Tokchon, at the east end of the front, the onrushing Communists rolled twenty-three miles southwest to the town of Samso. It is thirteen air miles south of Won on the Chongchon River.

Withdrawing United States Infantrymen have taken up new positions near Won.

At Samso, the Reds are less than five miles from a railroad leading up from the big U. N| supply base at Sunchon, eleven miles to the south.

MacArthur's 110,000 man U. N. Army in Northwest Korea, which had launched an end-the-war offensive last Friday, fell back before the onsloughts of fourteen Chinese divisions and elements of seven North Korean divisions.

Seven more Chinese divisions were in action in Northeast Korea barring a move by United States Marines to strike west and cut supply lines behind the Red counter-offensive in the northwest.

Clyde Dodson, employed by the Amerada Petroleum Company at Edna, Texas, visited his mother and sister, Mrs. Nolan Dodson and Harriett, over the Thanksgiving holidays.

United Council of Church Women Hold Business Meeting

The annual business meeting of the United Council of Church Women of Cameron was held at the All Saint's Episcopal Church Friday December 1 at 3 P. M. it was announced by Mrs. Bonelle Callaway.

The meeting was held to elect officers for the following positions: vice-president, recording secretary, parliamentarian, chairman of spiritual life, chairman of migratory work, chairman of overseas relief, and chairman of church social relations.

Mrs. W. O. Triggs, member of the Methodist Church brought the devotional.

T. J. O'Neill Has Been Elected To Pre-Medical Society

New '51 Chevrolet Here Saturday

The 1951 Chevrolet will go on display at the local dealers showroom Saturday, December 9, R. G. Grabein has announced.

Important improvements and changes are fatured in both chassis and body. These changes range from the "biggest brakes in the low-price field" to extensive design innovations that make the car appear much longer and lower than any previous model.

The Powerglide automatic transmission, Chevrolet's sensational driving advance, has been refined for the latest models, although remaining fundamentally the same flexble driving control that has already enrolled a quarter of a million satisfied owners. It will again be optional on De Luxe models only.

Fourteen passenger body types are included in the 1951 line. Two and four-door sedans will be available in Styleline and Fleetline series. All sedans and the sport coupe will come in DeLuxe or Special trim. A convertible coupe, all-steel station wagon and the Chevrolet Bel Air, which has scored so sensationally in popularity, are exclusively in the De Luxe series. The business coupe will be available only as a model in the Special series.

In addition to more luxurious interior treatment Chevrolet is offering a more beautiful and attractive assortment of colors. The options, which include two-tone combinations, are livelier than ever.

The new "Jumbo Drum" brakes headline the qualities of the car directed toward safer operation. Quicker emergency stops are assured by a brake which envolves considerable departure from past design.

Of almost equal interest among safety features are recessed control knobs in the drivers compartment. All protusions are now set below the smooth contours of the instrument panel. Shielding of the windshield from instrument light reflections is as well provided by a rounded ledge above the panel. Subdued lighting of dials for nighttime driving is still another safety asset.

Appearance-wise the improvement is discernable even to a casual observer. Changes both at the front and rear anhance the impression of ruggedness and room. The radiator grille has been restyled and simplified. The design now consists of three horizontal bars, the lower two extending further across the fenders to form a circular frame for parking lamps.

The De Luxe and Special series will again be distinctive. Exteriors of the De Luxe bodies have a greater amount of chrome and stainless steel trim and are distinguishable on the highways by a moulding which starts just above the wheel opening in the front fenders and is extended into the doors.

Interiors of the De Luxe bodies are treated in two-tone gray, a styling feature carried by both seat cushions and instrument panels. With the Special models, the interior is also two- tone gray. A gray striped pattern cloth is used as upholstery material in the Special models while De Luxe models provide a band of plain gray across the top of seat back cushions upholstered in striped gray broadcloth. In addition, De Luxe models are equipped wth such accessories as cigarette lighter, center-mounted clock and full-circle horn rings.

Due to expanded production, Chevrolet is able to introduce in rear seats the flat S-type springe used in the front seats of the 1950's. Greater comfort and more consistent resiliency will result during the long years of service owners have learned to expect from Chevrolets.

Upholstery in the convertible is genuine deep-buff leather with the Bel Air featuring a striped pilecord fabric with leather bolsters on both seat cushions and back rest. Station wagons have a new tan leatherette fabric with pigskin finish.

For 1951 Chevrolet offers two economical valve-in-head engines. The standard engine developes 92 horsepower while the optional power plant, available on De Luxe models with Powerglide, develops 105 horsepower.

The Cameron Herald
December 7, 1950

DECEMBER 15 DEADLINE FOR YULE CONTEST

Only 16 days are left to enter the annual Christmas Home Decoration Contest. The Business and Professional Women's Club, whose committee is headed by Miss Mildred Thornton is urging all of the folks who live in Cameron to begin work on their plans for home decorations and call Miss Thornton at 447 or 374 at an early date, at least not later than December 15, and make their entry. It doesn't cost a thing to enter the contest. The Cameron Merchants have generously contributed the wonderful prizes that will be given away. You might win the first prize which is $50 or one of the other prizes which are being offered, which are $35.00 for the second, $20.00 for the third, $10.00 for the fourth, and $5 for the fifth, sixth and seventh prizes.

There will be many wonderful and original ideas carried out in the contest this year and people from the entire county and surrounding towns will come to Cameron to view these displays. Many unusual displays are being planned that will not cost the decorator anything but effort. Things around the home, cedar, holly and other greenery can be used for effective displays. How much you spend on your decorations will have no bearing on your chances to win. Put your creative instinct to work! Lights placed at vantage points about the displays and yard will have a wonderful effect. Remember, arrangement, origanality, lighting and color will be the deciding factors. Use your imagination in arranging your material used for the displays. Be original in your ideas. Use lighting to the best advantage. Lights can do much towards creating an illusion of something that is not really there and will do everything towards making your display more effective. Be generous with bright colors. Colors that will best highlight the display and make it more interesting.

Judges have been invited from Marlin. They will be supplied by the Marlin Chamber of Commerce. The judges will not know the name of the entrant. They will judge the displays entirely by numbers on their judging sheets.

Mr. and Mrs. Flint Soirrell of Mission, Texas were guests in the home of her mother, Mrs. R. S. Wiley, the past week end. Mr. Soirrell is the assistant postmaster at Mission and Mrs. Soirrell is the former Bessie Wiley of Cameron.

Mr. and Mrs. W. H| Baines of Houston accompanied W. O. Fisher to his home in Cameron Sunday after spending a weeks visit in their home.

Texas Venture

In Education • 1876-1951

Our first state college—Texas A. and M. is now in its seventy-fifth year

Less than a generation ago grain sorghum was a tall spindling chicken-feed crop, grown on a few Texas farms. Today it is the state's second money crop, valued at $166,000,000 a year. A $24,000,000 plant for processing this one crop has been built at Corpus Christi. This amazing development is the result of research by plant scientists of the Texas Agricultural Experiment Station of the A. and M. System, under the leadership of R. E. (Bob) Karper, A. and M. agronomist at Lubbock. By juggling the genes within the grain sorghum seed, Karper and others have been able to pull it down to a thrifty low-growing plant with big heads at uniform height throughout the field. This made it possible to harvest the grain mechanically, completely revolutionizing the agriculture of the Texas plains area. The present day combine-type grain sorghum is being further developed for a variety of uses and is increasing rapidly in value to Texas farmers, as a result of the work of this Pennsylvania farm boy who has been engaged in agricultural research on the Texas plains since 1915.

Vernon Angell, Margaret and Clifford of Splawn visited Mr. and Mrs. Frank Angell the past Sunday afternoon.

Mrs. Grady Goodwin, Melvena and Leroy and Mrs. E. R. Hearne, two sons and daughter of Bryan were guests in the home of Mrs. Minnie McFarland Friday.

Mrs. L. C. Angell of Houston visited her mother, Mrs. R. W. Wilson here over the past week end.

Mr. and Mrs. Walter H. Lester visited in the home of Mr. Lester's mother, Mrs. L. P. Lester in Schulenburg over the week end and they all visited in the home of Mr. and Mrs. Clayton Lester at Weimar Sunday.

Mrs. Bartow Jackson had as holiday guests her sister, Mrs. L. V. Hairston and daughter, Patricia Ann of Luling.

Pat and Bob Bailey were Sunday visitors in the home of Mr. and Mrs. C. H. Massey at Maysfield.

William Lewis Mode of Stephensville visited relatives here during the Thanksgiving Holidays.

Go To Church Sunday.

R. A. Griswold Rites Here Saturday

R. A. (Bob Griswold, 66, widely known citizen of the Yarrellton Community, died suddenly at his home Thursday morning around 2 A. M.

Mr. Griswodl suffered a heart attack during the early part of the night. He had been ill with influenza for a short time prior to his death.

He had been in declining health for the past two months and had been confined to his home on account of his illness. Mr. Griswold was a native of Texas, being born in Fayette County, in 1884, the son of William and Betty Booth Griswold. He was married to Leona Chapman in 1908 to this union was born three children.

Mr. Griswold had lived in the Yarrellton Community for the past 43 years and had been an overseer at the Monroe Farm for a number of years. He was a member of the Yarrellton Baptist Church, having been a deacon and a prominent leader in the community.

Funeral services were to be held from the First Baptist Church in Cameron with Rev. L. L. Morris of Mt. Pleasant, conducting, assisted by Rev. Joe E. Love, Austin and Rev. R. L. South of Fort Worth, at 2 P. M. Saturday December 2. Interment will be made in Oak Hill Cemetery with Green's Funeral Home directing arrangements. The body will remain at the Funeral home until the funeral hour.

Surviving are his widow, Mrs. Leona Griswold; Two sons, Raymond of Cameron, and Hilton Griswold, evangelist of Shenandoah, Iowa; one daughter, Alene, former secretary at the First Baptist Church in Cameron and now affiliated with the Travis Avenue Baptist Church of Austin; three brothers, Jim Griswold of Rockdale; Tom of Tyler and Walter of Cameron; two sisters, Mrs. Minnie Moseley of Dallas and Mrs. Carl Allen of Marlin. Four grandchildren also survive.

Dorothy Malone, daughter of Mr. and Mrs. J. W. Malone is a patient in Newton Memorial Hospital.

Mr. and Mrs. Albert Drozd were Sunday guests in the home of Mr. and Mrs. Levon Ewing of Temple.

Frank Choate of Silsbee visited his sister, Mrs. John Tindall in Cameron Monday enroute to Waco where he attended a meeting of grand lodge of the Masons.

Milton James Jistel, Senior at Texas University in Austin spent Thanksgiving with his parents, Mr. and Mrs. A. L. Jistel. He also visited his sister, Mr. and Mrs. Ray Kurtz and their son, Ray Jr.

Miss Johnnie Tindall, employed with the Bell Telephone Co., in Austin visited her parents, Mr. and Mrs. John Tindall over the week end.

Mr. and Mrs. Bailey Dunham and Charles Dunham of Houston, Mr. and Mrs. Bill Dunham and son and Mr. and Mrs. Wallace Dunham of Bryan spent the Thanksgiving holidays visiting in Tracy and Buckholts.

Total of 34 Men Drafted from Milam

Seven men from Milam County will leave for induction into the armed forces on December 14th it was announced by Mrs. Loretta Brock, chief clerk at the draft board.

This will make a total of 34 men leaving Milam County for induction since the outbreak of the Korean War. The September, October and November calls were for nine men each. The quotas will double beginning in January as the government has called for 400,000 men in 1951.

The following men will leave for the Army Recruiting Station in Dallas for further assignments: James Roy Pope, Luther Cameron Buris, Wallace Eugene Massengale, Lloyd Benjamin Morton, Charles Edward Kornegay, Johnnie Joe Hauk and Paul Moreno Silva.

With the grave situation still existing in Korea and Manchuria, leaders of our nation are contemplating on using the atom bomb since the Chinese communists are counter attacking our forces with great losses, resulting.

Mr. and Mrs. Douglas Barron are visiting in Houston this week.

TEXAS FARM BUREAU HOLDS CONVENTION

The Texas Farm Bureau held its annual convention in the Baker Hotel in Mineral Wells, November 20, 21, and 22.

Several hundred delagates and their wives convened to discuss and present resolutions and plan the program for 1951.

Senator Tom Connally, senior senator of Texas, gave a most interesting explanation of "Agriculture Cooperation," discussing the need for cooperation among the farmers and what results that can be had by organizing. He said he had been in more wars than any man in the U. S. with less fighting. Senator Connally has always favored the agriculture issues for Texas farmers.

Hassail Schenck, member of the Indiana Farm Bureau, which state has gone all out for organization, gave a splendid talk on "Pathways Ahead."

Leonard W. Cowden spoke on the relationship of cooperatives to Texas agriculture. He is vice-president of the Consumer Cooperative Association.

Albert Gore, Congressman from Tennessee discussed the test of a Farm Bureau Program, stressing the importance of cooperation and what can be done by it.

Hoot Gibson, from the Extension Department at A & M Colge spoke on the relationship or partnership between the Farm Bureau and exension work. His speech preceeded a talk by Walter Hammond, president of the Texas Farm Bureau. He pointed out that farm bureau membership includes all members of the farm family.

An amendment was offered and unanimously adopted which rescinded all previous action dues. This amendment reads as follows: the annual dues of this Federation shall be six dollars ($6.00) pr member per year, from date of payment, subject to the provisions herein. Any member who may qualify as a member of a Community or County Farm Bureau may become an accredited voting member on payment of those dues and each member of the family of an associate member. Each six dolars ($6.00 per capita payment shall include one subscription to the official publication of this Federation.

Ten delegates attended from Milam County and instructions and information received by those attending will be beneficial to the local bureau in its work in putting on membership drives.

S. W. McClaren, president of Milam County Farm Bureau, was elected District Director from this district to succeed Frank Taylor of Waco, which will cover 16 counties.

Mr. and Mrs. McClaren were asked by Walter Hammond, president, to serve on the reception committee in Dallas at the National Farm Bureau convention to be held from December 9-13 to welcome delegates of other states to Texas. This will be he first ime Texas has been host at the National Convention. A number of members from Milam County expect to attend.

Interest in Farm Bureau work has been accelerated in the past three years and the present membership is over 1,000. Farmers are beginning to realize the value of organizing the local unit.

Growers To Vote On Quotas December 14

The outcome of Thursday, December 14th peanut marketing quota referendum will determine the level of government price support for the 1951 crop, Mr. Paul C. Gravs, Chairman of the Milam County PMA points out.

'The Agricultural Act of 1949 provides for mandatory price support to cooperating producers on their 1951 'quota" peanuts at a level between 80 and 90 percent of parity but only if marketing quotas are approved in the coming referendum," he explains.

"If growers vote against quotas, price support will still be mandatory to cooperating producers, but at only 50 percent of parity."

To illustrate how this might work, Mr. Graves takes the price support figures for the 1950 crop for comparison. He points out that the average support price for all types of 1950 crop peanuts as marketing quotas are in effect, is 10.8 cents per pound, or $216. per ton. This is based on 90 percent of the parity price of $240 per ton on Aug. 1, 1950. On this basis, 50 percent of parity would amount to $120 per ton.

When quotas are in effect, a producer on whose farm the picked and threshed acreage is not greater than in 1947 may still be eligible for price support on his 'quota' peanuts even though the total picked and threshed acreage is greater than the farm acreage allottment Mr. Graves explains. To do this, he has to deliver his 'excess" peanuts to an agency designated by the Secretary of Agriculture to receive such 'excess" peanuts.

Under these circumstances, says the chairman, the producer is paid for his 'excess' peanuts the current market price for peanuts for oil and meal less estimated costs for handling, storing, and selling the peanuts.

Through mid-October, the announced weekly prices for 1950 crop 'excess" peanuts (oil peanuts) averaged about $130 per ton, farmers stock equivalent, which is about 6$ percent of the price suport for 'quota' peanuts," Mr. Graves points out.

Whether or not quotas are approved in Thursday, Dec. 14th, Referendum, the dollars and cents rate of price support for 1951 crop nuts will depend on the parity price next Aug. 1st, and could be either more or less than for 1950, the Chairman explains.

If quotas are approved, the minimum level of price support will be determined by what the Act calls the "supply percentage." This is more commonly known as the "sliding scale." The greater the total supply of peanuts available for marketing in relation to the normal supply," the lower the minimum price-support level. The Secretary of Agriculture may set the price support level above the minimum under certain conditions.

Mr. and Mrs. Willard Jackson of Belton visited in Buckholts Sunday.

Hereford Breeders Meet At Sharp; Program Planned

A meeting of registered Hereford breeders in Milam County scheduled at the Sharp High School wednesday at 7:30 was announced by D. M. Mayfield of Val Verde.

The Capital area Hereford Association was recently organized in Austin and consists of eleven counties in Central Texas including Milam County.

Mr. Mayfield was elected director for Milam County and attented the meeting in Austin. The purpose of the organization is to assist registered Hereford breeders in this county and to promote a program.

Vocational agriculture teachers and county agents in the county were invited to attend this meeting and give their assistance in plannjng the program.

The Buckholts F. H. A. girls recently had a party on the Buckholts School lawn. Boys were invited and a series of games were enjoyed. Refreshments of roasted weiners, pickles,, potato chips and hot chocolate with marshmallows was served. This was the November entertainment.

WE ARE MAKING—
(continued from page one)

chine would cost around $15000.00. It was purchased new for $5000.00.

To keep this printing industry meeting modern demands and in step with high standards of printing and publishing service we render, the new machine was necessary to take care of increased linotype composition. The new machine is especially equipped for ad and commercial printing needs.

The "Happy Warrior" of these columns, critically wounded in the long battle over the past third of a century is of necessity on the side lines and may remain in the shadows for a long time to come but we feel we will have the advantage of his knowledge and directions in keeping up the traditions of this old paper established in 1860. Our "Boss" became widely known years ago as a journalist of the old school and in retaining for his publications the stamp of the courageous writer, no doubt has brought him this distinction among newspaper publishers. Those of us who know him best appreciate this colorful casting but his life work proves him to be always for progress. The old Thespain says the show must go on and with your help, patronage, cooperation and understanding we will carry on.

Newspapers are not made in a day. They take their places as striplings and from little acorns giant oaks grow. The newspaper represents the Fourth Estate. If all is well and those who publish it are steeped in its tradition it may well some day lay claim to a place in the battle line where war for freedom flares at each approach of the night.

We like to think of this old newspaper institution as American as land and crops. We believe that Cameron and Milam County need this vigorous type of journalism and so does he. This old newspaper has never shirked a responsibility nor dodge an issue.

CITY TO BUY—
(Continued from page one)

the purchase and installation will cost around $300.00.

Aldedman L. Van Perkins made a report concerning the clean-up project now underway for Oak Hill Ctmetery. He said that the cemetery committee, composed of Alderman Schiller, Kunz and himself met with members of the Cameron Garden Club at the home of Mrs. John Henderson recently and discussed plans for cleaning up, beautifying and erecting a fence around the cemetery.

Mr. Perkins said that a fence would have to be built to keep out stock and that the council could get some estimates on how much it would cost and to contact some fence builders for the erection of a fence.

Mr. Terry recommended Marvin Ethridge to oversee the construction of the fence. Mr. Terry said that Mr. Ethridge was considered one of the best fence constructors in the county.

Alderman Terry said that a property owner had contacted him recently about a sewer main on East 11th street and said that a 4 inch main was not sufficient to carry sewage for the number of houses connected to the main in that area of the city and that a 6 inch main should be laid to take care of the situation that existed.

Mayor Green asked alderman Terry why not install a 10 inch main and be done with it in case others may want to come on the line in the future. Mr. Terry said he thought a 6 inch main would do the job and would be sufficient for the number of connections on the main.

Mr. Schiller said the same situation existed near his residence on East 21. No further action was taken on the matter.

YARRELLTON NEWS
By MRS. LENA RUSSELL

Mr. and Mrs. Dan Johnson and family of Chilton visited in the home of Mr. and Mrs. Zack Griffin recently.

Mr. and Mrs. E. S. Colbert of Marlin visited her sister, Mrs. Minnie Russell Saturday and attended the funeral of Bob Griswold Saturday afternoon in Cameron.
